

Murtdha Hashim Al Quraishi

Education

M.Sc., California State University, Fullerton 2017

B. Sc. Wasit University, Al -Kut, 2012

Academic Experience

Member of the Scientific Committee of the Fourth International Scientific Conference on Sustainable Engineering Contributions and Applications ICASEA 2023 / College-level committee Tasks of the scientific committee of the conference

1. Targeting scholars, researchers, and experts concerned with speaking on the conference topics.
2. Determine the conference's scientific standards and themes in terms of topics.
3. Approval of the conference program and its scientific sessions.
4. Reviewing working papers submitted for presentation in scientific sessions.
5. Propose committees to review summaries and working papers submitted to the conference.
6. Preparing and formulating the results and recommendations of the conference.

Non-Academic Experience

- Supervisory engineer in the Engineering Consulting Office / College of Engineering within the Bab Al Kut Residential Complex construction project for the period from 10/15/2017 to 4/9/2019

-Engineering supervision of the implementation of all aspects of the construction of the aforementioned residential complex within the required technical specifications

Memberships

Iraqi Engineers Syndicate Date of joining the union: 01/29/2013 I currently hold the rank of practitioner, but I am now entitled to the rank of certified

Honors and awards

Scientific Medal

VIII. International Scientific Congress of Pure, Applied and Technology Science (Minar Congress 8) organized by Istanbul Gedik University and Rimar Academy from 14 to 16 February 2023 in Istanbul / Turkey

Scientific activities

None

General activities

Member of the committee for preparing statements, according to the letter of the Deanship of the College of Engineering / Administrative Affairs Division, No. 144 on 2/12/2020 2. Member of the examination committee for morning and evening preliminary studies for the academic years 2020/2021, 2021/2022, 2022/2023, 2023/2024. 3. Chairman of the Quality Assurance and Performance Evaluation Committee in the Civil Engineering Department for the academic year 2020/2021, according to the letter of the Deanship of the College of Engineering, No. 1443 on 11/30/2020. 4. Member of the New Student Reception Committee, morning study for the academic year 2020/2021, according to the letter of the Deanship of the College of Engineering, No. 1588 on 12/20/2020. 5. Member of

the Educational Guidance Committee in the Civil Engineering Department for the academic year 2020/2021, according to the letter of the Deanship of the College of Engineering, No. 187 dated 1/26/2021. 6. Member of the Laboratory Equipment Purchase Committee in the Department of Civil Engineering, according to the letter of the Deanship of the College of Engineering, No. 919 dated 6/6/2021. 7. Chairman of the Work Completion Committee, according to the letter of the Deanship of the College of Engineering/Administrative Affairs Division, No. 1500, dated 8/18/2021. 8. Chairman of the committee for implementing the work of the external corridors and pouring the square behind the college, according to the letter of the Deanship of the College of Engineering, No. 979, dated 10/18/2020. 9. Chairman of the Free Education Committee in the Civil Engineering Department for the academic year 2020/2021. 10. Member of a committee responsible for fulfilling the requirements of the Iraqi classification of universities in the Civil Engineering Department for the academic year 2020/2021, according to the letter of the Deanship of the College of Engineering, No. 1621 dated 9/6/2021. 11. Member of the Educational Guidance Committee in the Civil Engineering Department for the academic year 2021/2022, according to the letter of the Deanship of the College of Engineering, No. 2274 on 11/29/2021. 12. Member of the committee for purchasing special equipment for the Civil Engineering Department, according to the letter of the Deanship of the College of Engineering, No. 601, dated 3/27/2022. 13. Member of the Civil Engineering Department Laboratories Quality Classification Committee for the academic year 2021/2022, according to the letter of the Deanship of the College of Engineering, numbered ZG/27 on

4/19/2022. 14. Member of the New Student Reception Committee, morning study for the academic year 2021/2022, according to the letter of the Deanship of the College of Engineering, No. 2143 on 11/15/2021. 15. Member of the scholarship investment committee for the year 2022 16. Member of the Ministerial Evaluation Examination Management Committee in the Civil Engineering Department for the academic year 2023/2024, according to the letter of the Deanship of the College of Engineering, No. 920 dated 4/18/2024.
